

# AS350 Dual Tachometer Indicator

P/N AS350DT-608-10014

P/N AS350DT-608-30014  
(NVG Compatible)

The Dual Tachometer Nr/Np Indicator is designed to replace the OEM rotor only indicator in the Eurocopter AS350B and BA powered with the Arriel 1 engine. It is also designed as a direct replacement for the OEM Dual Tachometer Nr/Np Indicator in the AS350B1 and B2 powered with the Arriel 1 engine.

For the AS350B and BA, the indicator comes as a kit which includes the airframe wire harness adaptor. In the AS350 B1 and B2 it is a plug in alternate replacement for the OEM Nr/Np indicator.

NOTE: Advise A/C model and engine when ordering.

Approved for use in:  
AS350BA  
AS350B1  
AS350B2
